HOBART  ENTERPRISES

About us

Medex is one of the leading distributors of ingredients to the pharmaceutical, cosmetic, healthcare, food & supplement industries.

For over 35 years Medex have successfully supplied materials worldwide providing the highest possible service and regulatory support. The company is experienced in aiding their customers to solve difficult supply problems, as well as offering products in quantities and pack sizes which can't be obtained elsewhere.

Medex can supply to dedicated regulatory markets (needing GMP, ISO, HACCP, FMD, DMF etc. support) as well as providing cost effective solutions to non-regulated customers.

Medex is a global quality and service oriented supplier.

Since December 2014 Medex is a part of a larger group of chemical companies: Hobart Enterprises. More information about our group and our partners can be found on: www.hobartltd.com

For more information about our activities and products visit on our website: www.medexuk.co.uk

Main Product Areas

- ✓ **Active Pharmaceutical Ingredients**
- ✓ **Excipients**
- ✓ **Galenicals**
- ✓ **Controlled substances (Narcotics & Precursors)**
- ✓ **Niche Products**

Our mission is to provide our customers with the best possible service, the highest quality products and professional regulatory support meeting the increasing demands of the pharmaceutical industry.

35 years of experience in providing our customers with pharmaceutical products lets us be one of the most responsive and regulatory focused distributors worldwide.

Our vision is to create friendly and supportive relationships with our customers by providing them with prompt service, technical & regulatory advice and competitive pricing.

Our main values are:

- being honest, open and compassionate in all our dealings
- growing our self-knowledge and awareness to build respectful relationships with one another, customers and suppliers

Medex Unit 1, I.O. Centre, Swift Valley, Warwickshire, Rugby, CV21 1TW, United Kingdom
